

Thorngrove Netball

On Monday 27th November, 9 pupils attended a netball tournament at Thorngrove. Our first match was against Thorngrove prep school. It was a tough match, but the result was 1-0, with Evie scoring the goal. Our second match was against Yattendon, it was an easier match and we managed to score 3-0.

Our final match was against Hermitage, this was our hardest match but with Freddy as goal attack and lots of amazing defending, we managed to win the last game 3-2. With Olivia as centre, and Ellie as wing attack, we were able to get the ball across the court quickly. In addition, with Ruby, Grace, Ellie-May and Griff in defence, they were able to save many crucial goals. Also Darcy was able to look for space and pass to people in a good position.

Thank you to Mrs Goodwin, Mrs Borthwick and Mrs Westcar for encouraging support and transport.

By Olivia, Evie and Ellie-May
