

## Kwik Cricket County Finals

Bradfield School played in the Berkshire Kwik cricket finals at Reading Cricket club on Tuesday 5<sup>th</sup> July. Ten teams, representing the different unitary authorities, attended and played in two leagues of five. Bradfield won their league by beating all four opponents.

The final was an exciting game against Montem School (Slough). Bradfield were put into bat and made 43 runs, hitting a couple of balls which the Montem boys did well to catch. Coming into field, knowing they needed to take several wickets, Bradfield started strong, with tight bowling from Hayden. Austin carried on the bowling and took an amazing reflex catch off his second ball. It came down to the final over, with Montem needing 7. Ben stepped up and despite the pressure of the moment bowled a wicket maiden.

Bradfield were Berkshire County Champions.

Many thanks should go to the coaches; Bradfield Cricket Club coaches John Bargent and Dave Brown and parent Julian Wood. Eight of the team had also represented Berkshire in the Football Small schools regional final in Bath earlier in the year which is quite an amazing feat for a year group of 12 pupils!

Team: Luke, Fergus, Luc, Austin, James, Will, Bobby, Hayden, Ben
