

Year 3/4 Tennis
Park House School, 24th May 2016

Wow, what an amazing competition.

None of our team had played tennis before at a school competition, but they all showed great commitment and perseverance.

Mrs Goodwin had to "seed" the players so that they played against an opposition of similar ability.

William W was the only one to win his first match against Hermitage, but everyone gained in confidence and by the next game, against Francis Bailey all the players demonstrated improved skills and no one lost.

This meant that Bradfield went through to the play-offs. They played Pangbourne. Despite some really long rallies and some excellent skills they lost to Pangbourne and finished in 4th position overall.

A huge well done to everyone who played and those parents who supported and transported.
