

Elstree Cross Country

A team of four pupils from year 3 and 4 entered the inaugural Elstree Cross country competition last Thursday.

Unfortunately, one member of the team was unable to compete, so huge thanks to Annabelle, who stepped in at the very last moment.

The team did really well running the first two laps in 3rd place; they were overtaken in the latter stages, but came in a commendable seventh.

Well done to all and many thanks to Mrs Lyall who went with them and Mrs Chettleburgh for her Monday training sessions.
