Dear Parents/Carers of Y3, Y4, Y5 and Y6 children,

## Junior Reading Challenge

To coincide with World Book Day we are launching an exciting new reading challenge for juniors.

We have researched age appropriate texts and each child has been given a book list to guide their choices. We have a number of these books in school or they can be borrowed from a library or from home.

The challenge is to read 15 books by the end of the summer term (21<sup>st</sup> July), and once finished mark them off the list. Everyone who completes the challenge will have their names entered into a draw and a prize will be given to the child whose name is pulled out of the hat.

We hope that everybody will join in enthusiastically with this challenge, and we will be supporting them regularly in our school reading sessions. The aim is to inspire a love of reading and ignite their imaginations.

If you need an extra copy of the list to help support your child, please ask in the school office.

Kind regards,

Fiona Coulam
