

Theale and Tilehurst Cricket Tournament

7th June 2016

We took two teams to Theale to play in the tournament. The A team played really well and having lost the first match, they rallied and won the next game. The Firsts meanwhile were beating Birch Copse gold team. They also went on to beat Westwood Farm and Pangbourne.

These results meant that both teams qualified for the semi-finals. The A team were beaten, but played well. The Firsts beat Downsway convincingly, but then lost a close game in the final against another Birch Copse team.

It was a lovely day, where everyone supported each other and did their very best, playing on some poor wickets some of which resembled hay fields.
