

Kennet and Theale Federation Cricket Tournament

June 21st 2016

12 teams were represented at the Federation Cricket at Sulhamstead Cricket Club on Tuesday. We played the Barbarian team first (and had to face Grace A). We easily beat the scratch team, but then faced stiffer opposition in the form of Aldermaston.

We were successful in that and the following game against Beenham. That meant that we met St Finians in the semi-final.

It was an extremely close match, which we won with a lovely 6 from Hayden off the very last ball.

We finished by playing Basildon in the finals. Again a tighter match, but after some great bowling and amazing catches including ones from Austin and Hayden, we ended victorious.

Well done to all, especially for the team spirit and excellent behaviour; including having enough sense to warm-up away from the spectators

You did Bradfield proud in every sense of the word.
