

Northcroft Swimming Gala heats

Thursday 16th July 2016

A team of 16 represented Bradfield at the swimming heats on Thursday morning. An early start was required to get to Newbury by 9 am. Thanks to all the parents who drove and then stayed and supported the swimmers.

Everyone swam really well and improved on their personal best times. The effort was amazing and behaviour from the majority was also exemplary.

Well done all of you. We now have to wait

There is another heat next week and only the 6 fastest times will go through to the finals on 13th July. Fingers crossed that we did enough.
