## Bradfield Tennis Centre Tennis competition

On Wednesday the  $27^{th}$  of May, Freddy, William W, Trixie and Olivia played a mini schools tennis competition at Bradfield College. We weren't  $1^{st}$   $2^{nd}$  or  $3^{rd}$  but nearly everyone won a match. We had numbers and we played people with the same numbers as us. The numbers were 1,2,3,4 William was 1 Freddy was 2 Trixie was 3 and Olivia was 4.

We all got a photo next to the Davis cup. It was massive, but when a country won the Davis cup they only held the top bit. Everyone enjoyed themselves. They all played well. A big thankyou to Mrs Goodwin and Mrs Coulam for encouraging us.
