

Year 5/6 tag rugby tournament!

A bright, but inevitably chilly, Newbury Rugby ground saw a group of year 6 boys and 3 girls represent Bradfield at the annual tag rugby competition.

The team were caught napping in the first game against Brightwalton and unfortunately lost by 1 point. However, the team, under the management of Martin Puss, went on to win the rest of their group matches.

They demonstrated some fantastic rugby skills and great team work. The English RFU core values of Teamwork, Respect, Enjoyment, Discipline and Sportsmanship were in abundance.

Well done to everyone
