

Key Stage 1 Football

Monday 15th October 2018

On Monday a squad of mainly year 1 pupils travelled to Englefield to play in their first competitive match. Harry was the only year 2 representative.

They played 2 games of 7 minute halves.

During the first half Bradfield showed some good skills and used the space well.

Then the second team took to the pitch. Again fantastic teamwork, but no goals from either side.

Back on with the first team and Englefield scored a goal, despite some good defensive play from Bradfield.

Then the last quarter saw a goal line scramble, when Bradfield so nearly converted their valiant attempts, but it was not to be.

Both teams played with great spirit in a thoroughly enjoyable end to their footballing after school club sessions.

Well done to all and many thanks to the support from so many parents and grandparents.
