

Newbury district Year 5/6 Football

Tuesday 16th October 2018

We were able to host the Newbury football competition this year.

Bradfield use this tournament as a precursor to the small schools competition, which takes place in November.

It is a good place to try out our positions, tactics, teamwork and support. We played Woolhampton, Birch Copse and Speenhamland, the latter being much bigger schools.

Although we didn't win any matches we learnt a lot. Alex made some great saves and developed his skills as a goalkeeper. Jack also managed a couple of goals, despite being injured within the first 5 minutes. His resilience was admirable.

Well done to all.
